SPONSORSHIP PROSPECTUS

How will YOU shape this year's Summit?

WHAT IS THE YOUTH IDD/MENTAL HEALTH SUMMIT?

40% of youth with an intellectual or developmental disability will also experience a mental health condition.

Historically, there has been little connection between mental health (MH) service providers and those serving the intellectual and developmental disability (IDD) community. Since 2012, the **Youth IDD/Mental Health Summit** has worked to change that.

Our History

The Youth IDD/Mental Health Summit began as a grassroots effort by professionals serving dual-diagnosed youth across Oregon. They recognized how barriers between the IDD and MH service systems impacted service access and delivery, and the need for greater collaboration between the two systems. Our Summit **brings the diverse IDD and MH communities together** at an **annual conference** dedicated to breaking down systemic barriers.

Our Values

The Summit promotes **collaborative learning, exchanging information, and building relationships** amongst all those who support youth with IDD and MH conditions. Bridging the gaps between separate service networks can transform how Oregon's dual-diagnosed youth receive care. Each Summit features innovative, engaging presentations from community voices; our 2025 Summit will prioritize those **directly informed by lived experiences**.

THE 2025 YOUTH IDD/MENTAL HEALTH SUMMIT

will be held on

WEDNESDAY, AUGUST 6, 9am-4:30pm
at the CH2M HILL Alumni Center

Last Year's Success

2024 saw the first in-person Youth IDD/Mental Health Summit since 2019, and we were astounded by the turnout! We welcomed **239 in-person registrants**, and **110 virtual attendees** tuned in to our keynote speaker, Greg Santucci. ([View the 2024 keynotes here!](#)) This expanded our reach beyond Oregon into seven US states, Mexico, Australia, India, Romania, and Kenya.

This Year's Growth

The 2025 Summit moves to a **larger venue** with more exhibitor space, breakout rooms, and bigger rooms for each breakout session. Sponsor support can help us introduce **breakout session livestreaming** at this year's Summit! Our event will be **one-day only** so more community members – including self-advocates, family, educators, and support workers – can make time to attend.

WHY SPONSOR THE SUMMIT?

Make Attendance Affordable

Your sponsorship of the Youth IDD/Mental Health Summit helps us maintain our commitment to inclusivity by offering a **flexible registration fee**. This model allows as many diverse participants to attend the conference as possible and minimizes financial barriers presented by fixed attendance fees.

Expand Your Reach

By sponsoring the Summit, you'll also put your organization in front of hundreds of people in the IDD and MH communities, **expanding your audience** and displaying your support for Oregon's dual-diagnosed youth.

SPONSORSHIP OPTIONS

This year, we introduce a **sliding-scale sponsorship model** that allows you to decide how much you will contribute and what you want to sponsor. This includes **directly sponsoring key elements** of the Summit (see below for examples). We want to hear how YOU will help shape this year's Summit!

Direct Sponsorship Examples

\$7500	Sponsor lunch for the event
\$5000	Sponsor live keynote broadcast
\$3000	Sponsor snacks or continental breakfast

EXHIBITOR TABLES

Exhibitor tables have a flat rate fee of **\$100 per table**, plus **registration fees** for each attendee. We are willing to offer reduced or waived fees for exhibitor tables depending on burden of cost and relevance of the exhibitor to the event.
